The videoconference in this matter is scheduled to take place via Skype on February 19, 2021, at 11:00 a.m. The Skype link will be emailed to all participants.

To optimize use of the Court's video conferencing technology, all participants in the call must:

Use a browser other than Microsoft Explorer to access Skype for Business;

Position the participant's device as close to the WiFi router as is feasible;

Ensure any others in the participant's household are not using WiFi during the period of the call;

Unless the participant is using a mobile telephone to access Skype for Business, connect to audio by having the system call the participant; and

If there is ambient noise, the participant must mute his or her device when not speaking. Co-counsel, members of the press, and the public may access the audio feed of the conference by dialing 917-933-2166 and entering Conference ID 439714635.
